AN EXPRESSION OF APPRECIATION

The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1958 Show are the highest ever, \$52,137.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$27,055.00 for the Fall Show and \$2,172.00 for the 1959 Spring Hog Show. The State Fair Board composed of Louis McL. Merryman, Vice-Chairman, Frank D. Brown, Jr., Secretary, D. Ernest Matthews, Robert V. Norris, A. Doty Remsburg, Fred C. Downey, C. Russel Galbreath, Olin Davis, Sr. and R. Nelson Phelps, Executive Secretary, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations.

There are also many individuals and organizations whose efforts and support have been of the utmost benefit and therefore are generously acknowledged. It is with much regret that we announce the resignation of Joseph M. Vial as Treasurer-Manager. However, we are happy to announce that Charles A. Morrow has accepted this hard to fill position. It is our sincere hope that the management can make this, our 12th Eastern National, continue to uphold the high caliber of the previous shows.

EASTERN NATIONAL LIVESTOCK SHOW, INC. HERSCHEL H. ALLEN, Jr., President

THE EASTERN NATIONAL

Livestock is an integral and vital part of the economy of the eastern part of the United States and as eastern states have industrialized and urbanized, their incomes and well-being have risen. Their agricultural economy has become largely tied to that of animals and their products. The Eastern National Livestock Show has been developed to accelerate these trends toward a livestock economy in the East and to improve both the quality and quantity of livestock production throughout the Eastern States. Naturally, any industry serving the livestock interests is also benefited by any stimulation of livestock production.

Back in 1929 the old Baltimore Livestock Show was held at the Union Stock Yards in Baltimore. Some fifty or sixty livestock producers, commission men and meat packers worked tirelessly to develop a real livestock show here in the east. The quality of livestock improved along with the quantity of production . . . thus the advent

of the Eastern National Livestock Show eleven years ago.

One-fourth of the nation's consumers live in the East. To help feed these consumers, the Show has been developed to stimulate live-stock production in the East and especially in the states from which its greatest support comes, namely: Delaware, Maryland, New Jersey, New York, Pennsylvania, Virginia and West Virginia. However, we have interests from the New England States and as far south as Florida as evidenced by memberships and exhibitors in both these

widely separated areas.

Within eleven years the Eastern National has made tremendous strides and is now one of the nation's leading livestock shows, sharing the spotlight with the shows at Chicago, Denver and Kansas City. Exhibitors are attracted from twenty-seven states, including Wyoming, California, Texas, Colorado, Maine and Florida, bringing with them the most superb livestock in the country. Champions selected at the Eastern National have gone on to retain their championships at the International at Chicago. Approximately 3,000 head of livestock are exhibited at the Eastern National.

As the Eastern National has grown, so has the interest in the livestock industry in the East. The Eastern National is contributing much to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of the animals. THIS IS IMPORTANT! With the industrialization and increase in population on the West Coast, more midwestern meat is going west, leaving the East more dependent on its own meat production. The quantity of eastern meat is increasing and the quality is improving. Data are fragmentary but indicate a great expansion of the livestock industry throughout the Eastern area.

The youth of the nation play a big part in the livestock industry. Therefore, the Eastern National Livestock Show is an investment in the future. It has become the culmination of all 4-H Club and F.F.A. livestock endeavors, not only in Maryland, but also for many exhibitors in adjoining states. The 4-H Clubs are the largest rural organization in the world. These youngsters look to us for help and inspiration. The Eastern National includes the only completely rounded out livestock and meat judging contests in the East, both intercollegiate and

4-H.

1929 Champion

WHY AN EASTERN NATIONAL?

One need only to compare the quality of the champion of the 1929 Baltimore Livestock Show (predecessor to the EASTERN NATIONAL) to the quality animal that is winning today's blue ribbons to recognize the tremendous strides that have been made in the breeding of Eastern livestock.

The EASTERN NATIONAL has been a prime mover behind this quality. Not only has it fostered the incentive to improve our bloodstock, but it spotlights for all to see the breed efforts and production progress that has been made by the entire Eastern livestock industry.

Who makes this possible? All the breeders, the packers, the business and industrial leaders who stand behind the idea that a healthy agriculture in the East is a sound, basic principle of progress.

This growth and progress—in fact, the very future of the show itself — depends upon the funds derived from membership dues. If you are not a member of the EASTERN NATIONAL LIVESTOCK SHOW, INC., please accept this as a personal invitation from our Board of Directors to become a member NOW. Annual dues are \$25 and should be sent to the Treasurer at our office: Maryland State Fair Grounds, Timonium, Md.

WISE WORDS OF WISDOM

Oh, to be in Scotland now the heather is in bloom And the good American dollar gives off its loveliest perfume!

Of course, we're green with envy at some of the fine bulls being imported. But none will be finer than the late Prince of Rowley, whose blood has successfully combined with every American line of breeding.

Black Duke of Red Gate is the Prince's finest breeding son. We have developed a power-house herd. See it!

On our 25th Anniversary

WE ARE HAPPY TO ADVERTISE THAT:

- 1. We believe we have again a real breeding bull. The first 30 calves of Ankonian Monocacy 2" all have excellent conformation and outweigh the calves of our former four herd sires by almost 50 pounds per head at 205 days of age. Our calves have always been considered larger and heavier than most.
- 2. 81 repeat customers have made 214 separate purchases of 473 head of breeding cattle. 39 repeat bull buyers have purchased 122 bulls.

DAN WIGHT, Owner

FREDERICK, MARYLAND

- Monocacy cattle have produced 15 grand champions, 7 other champions,
 33 first prize and 7 top selling animals.
- 4. That we can offer the type and quality of catle that will suit the breeder who must make a profit from his breeding operations.

THE DOWNSBRAGH HERD

Through the years we have tried to improve the essential beef characteristics, the type, the quality, the genetic make-up of the herd.

It has been our great good fortune to have had the counsel, the advice, the experience of many great livestock breeders. Our cow herd looks like proving their practical points. We have always used the best bulls we could buy.
